In conjunction with World Stroke Day, which is held on the 29th October of every year, Pantai Jerudong Specialist Centre (PJSC), is hosting a creative design competition. This competition is aimed towards the creative industry and like-minded people to create something meaningful and impactful. In addition, we would like this to be an opportunity to raise awareness of a disease that is currently affecting our nation greatly. Stroke is one of the leading causes of death and disability in Brunei. Worldwide, #1in4 adults will have a stroke but being active can help decrease your risk. Together we can educate and motivate people to act, so #jointhemovement to raise awareness on stroke.
